# HOW TO COMPLETE THE CHALLENGE PACK

There's so much to explore!

## CHALLENGE INSTRUCTIONS

As we explained in the Challenge Pack, there are instructions throughout to help you to complete each challenge.

## USING THE TEMPLATES

Within the Challenge Pack there are lots of opportunities for you to create your own art and reviews.

Here we've provided some templates to help you to respond to some of the challenges.

As you'll see, we haven't created templates for every activity. This is because we want you to be as creative as possible - write, draw, take photos, perform, collage etc.

But most importantly... have FUN!

## SHARE YOUR CREATIONS

Don't forget... we'd love to see your creations and reviews. If you're under 18 please ask a parent or guardian to share them with us via social media, using:
